HOME DEPARTMENT

Enclosures : No. 595/RA/45 dated 23rd June 1945.

Sir,

Sub:-Police - South Kanara District.- Opening of two police outposts at Nelliyadi and Kumbla - Sanction requested.

I request the Government to sanction the opening of two temporary police outposts with a temporary additional staff of 1 Head Constable and 7 Police Constables each (including a Vacancy Reserve of one constable) for a period of one year in the first instance at Nelliyadi in the limits of Puttur Police Station and at Kumbla in the limits of Manjeshwar Police Station in the South Kanara District.

2. Consequent on the stationing of military units at Nelliyadi and Kumbla the two places have been declared as protected areas and the demand for police help is increasingly heavy. Nelliyadi is on Route No.39 and the camping ground covering 20 square miles is between the 43rd and 46th mile stones. The nearest police outpost at Uppinangadi attached to Puttur Police Station is 14 miles away while Puttur itself is 22 miles off Nelliyadi. The whole area designed for the camp has been tentatively acquired for a period of one year for the use of the military department. The conditions and terms of acquisition are such that certain rights are still retained with the original holders of many of the sub-division which are under cultivation and in some of the portions of the villages carved out for the purpose, the Village Magistrates still continue to supervise and exercise jurisdiction. These changes and the evacuation have resulted in many petty thefts, lootings etc. that generally occur on the initiation of such schemes. At present constables from the outpost at Upinangadi and the police stations at Belthangadi and Kadaba are sent for beat and patrol duty in the area; but this dislocates the routine work of the out-post and the stations referred to. Compliance with the request of the military authorities for police assistance for security purposes also necessitates the presence of a police staff at close quarters.

3. Conditions almost analogous to those at Nelliyadi exist in Kumbla. The police stations at Kasaragod, Manjeshwar and Vittal which are 9, 9 and 30 miles away respectively cannot spare the staff required for duties at the proposed outpost at Kumbla.

4. The staff of 1 Head Constable and 7 Police Constables proposed for each of the outposts represents the minimum requirements. The additional staff of 16 constables required for the two outposts has to be found by enlistment.

5. The District Magistrate, South Kanara, recommends the proposal. A copy of his remarks is enclosed.

6. The financial effect of the proposal is shown in the Annexure.

7. The expenditure is debitable to the relevant sub-heads

heads of appropriation under "29.c. Police - District Executive Force - A. District Police - I. Ordinary Areas - Authorised."
